

Camp Keystone offers a hot lunch program for \$5.00 a day. Campers who want to take advantage of our freshly prepared lunches can do so in the following ways:

1. For those who would like hot lunch every day that they attend camp, simply add that on to the prepaid lunch box on the back of your registration form. There is no need to fill out this menu and return it.
2. If your camper would only like to prepay for lunch on certain days, please indicate those days on this form by placing an "X" in the column next to the day you would like, and return it with your registration form.
3. For your convenience, campers may also purchase their lunch each morning when they arrive at camp at the Welcome Booth.

Listed below is our Summer Lunch Menu\*. Lunches usually consist of an entree (as listed), two sides (such as cole slaw, green salad, potato salad, fresh fruit, vegetables, or chips), and cookies or other dessert. Juice/punch and water are always available to ALL campers whether they have bought a lunch or not.

\*Camp Keystone may make substitutions to this menu on occasion as necessary due to unforeseen circumstances.
