Camp Keystone offers a hot lunch program for \$7.00 a day. Campers who want to take advantage of our freshly prepared lunches can do so in the following ways:

1. To pre-order lunch when registering online, just click the boxes for the days you would like to order lunch on the Additional Options page that is part of the application.
2. If you would like to pre-order lunch after you've already registered, just log into your Camp Keystone account at [www.campkeystone.com/manage-your-campers](http://www.campkeystone.com/manage-your-campers). After you have logged in, click on Forms & Documents, then Additional Options and click the boxes next to the days you would like to order lunch.
